

Conflict Minerals Policy

Total Connections 2009 Ltd is committed to the responsible sourcing of metals used in its products.

The company will only use suppliers who exercise due diligence to ensure that the metals they supply are not conflict minerals, as defined by the Responsible Minerals Initiative.

Total Connections 2009 Ltd will conduct its own due diligence with its suppliers on an annual basis.

The scope of the Total Connections 2009 Ltd conflict minerals declaration will be company-wide, and applicable to all minerals and metals used in its manufacturing.
